JOHNIANS IN NSW

COST OF HAVING CRICKET MATCHES

- We charge \$40 per player for all the matches
- Due to inflation, our cost of Hiring grounds, Umpire fee, Price of Cricket equipment & trophies have all gone up!
- The shortfall per match is around \$200 **on average!!**
- We have 3 teams and We intent to organize atleast 5 matches for each team to give equal opporutnities for everyone to represent OBA, and also for the better colloboration amongst Johnnians.

But it would cost us \$3,000 per annum
(3 Teams * 5 Matches * \$200)

- Also we have to incure another \$2,000 for State of Origin Match - which we play against Melbourne OBA.
