**Message from the President**

Dear SJC Old Boys,

I would like to extend my heartfelt gratitude to you for electing me as the new President of the SJC OBA NSW for this year. It is truly an honour and a privilege to have been chosen, along with the talented incoming committee.

I want to take a moment to express my deep appreciation to the previous presidents and the committees who have dedicated their time and efforts to strengthen the bond among our SJC alumni. Their commitment has laid a solid foundation for us to build upon, especially after the successful bicentennial events.

As we embark on this new chapter, we are aware of the challenges our school is currently facing. However, it is during times like these that we must come together as a community and draw strength from our shared memories and experiences. My vision for our association is to create a supportive and inclusive environment for all our members.

I strongly encourage every one of you to actively participate in our association's activities. Your ideas, contributions, and involvement are crucial to our success. Let us unite not only to honour the past but also to shape the future of our school and its community.

Lastly, I want to express my deep gratitude for the trust and confidence you have placed in me and the committee members. I am fully committed to serving you with dedication, transparency, and integrity. Together, let us work towards delivering our vision for the OBA Sydney with great pride.

Thank you once again for this incredible opportunity.

Charles Singham
